

## 2016 International Courthouse Dogs Conference

**We are pleased to announce the opening of registration for our 2016 conference. Come learn how victim advocates can use courthouse facility dogs every day!**

Courthouse facility dogs are a legally neutral way to support vulnerable victims of crimes as they navigate the criminal justice process. These highly trained dogs are handled by professionals in the criminal justice process, and can accompany victims to interviews, hearings, and trials.

This year's conference will include a wonderful group of speakers on all aspects of utilizing a courthouse facility dog to assist these individuals.

The conference will be held at the Hyatt Regency Hotel in Bellevue, WA (just a short bus ride across Lake Washington to Seattle). There are 13.5 CLE credits pending approval from the Washington State Bar Association. More details may be found at our [Conference Website](#).

Click on the link below if you would like to register for the conference now.
